At the 2025 Cannes Yachting Festival (9–14 September), Cantiere del Pardo will showcase an impressive line-up of world premieres and fresh debuts across its motor and sailing ranges. Staying true to its heritage while pushing the boundaries of innovation, the Italian shipyard highlights performance, reliability and unmistakable design flair on both power and sail.

New Pardo 43 – World Premiere

Advertisements

One of the highlights of the Festival will be the world premiere of the **new Pardo 43**. The model that marked the beginning of the Pardo Yachts' history has been reinterpreted with updated lines and innovative technical solutions, improving performance and onboard comfort, while preserving the character that has made it a true icon. Alongside the new 43-footer, the shipyard will showcase other key models from the range, including the Pardo 50, GT52, GT75, and the new Endurance 72 for the first time at CYF.

VanDutch 75 – World Premiere

Among the most anticipated debuts is the **VanDutch 75**, the new flagship of the VanDutch range. With its bold proportions, sleek profile and generous deck spaces, the yacht represents a contemporary evolution of the brand's identity. The new interiors,

designed by BurdissoCapponi Yachts&Design, combine premium materials and relaxed, understated elegance, making this 75-footer a benchmark for the new era of VanDutch. The display will also include the VanDutch 40 and VanDutch 48.

Grand Soleil Plus 65 Performance – First Time in Cannes

For sailing enthusiasts, the Grand Soleil Plus 65 Performance will be exhibited for the first time in Cannes. The smallest model in the Plus line, officially presented last May in Palma, has already attracted significant attention from the sailing community. With a powerful hull, advanced construction techniques, and spacious, contemporary interiors, the Grand Soleil Plus 65 Performance combines exhilarating sailing performance with the comfort and liveability that have always distinguished Grand Soleil Yachts. Completing the lineup are the GS 42 LC, GS 44 P, GS 52 P and GS Plus 72 LC.
