Celebration of Two Italian Icons

**Chicago Yacht Club  
August 13, 2020**

Spring Brook Marina & Yacht Sales collaborated with Continental Auto Sports to showcase two Italian icons, the 2021 Pardo Yachts 38 and the latest Ferrari F8 Spider. At Chicago's most iconic boating location, they were joined by guests eager to see these two brand new models at Chicago Yacht Club. The afternoon started with private appointments throughout the day with canned refreshments and sweets followed by a cocktail reception for Chicago Yacht Club members where Heaven's Door Whiskey offered tastings and old fashions for guests of the cocktail reception. Find out more information on these models at [springbrookmarina.com](http://springbrookmarina.com) and [continentalautosports.com](http://continentalautosports.com).
