

TOP 2019: 10 unmissable boats of 11 meters

PARDO YACHTS Pardo 38 – 11,90 m

The Pardo range is becoming more and more complete and, after the 50 and 43, the 38 is launched. The style is the traditional one of the Italian yard; with vertical bow and lots of design on board. Two sunbathing areas and three seats in the helm station make this boat one of the most popular day cruisers.
